TAMANI Hotel Marina conferencing facilities ready soon

Corporate meetings venue in Dubai Marina location on offer soon

Dubai, May 2008: Located just two minutes away from the bustling Dubai Media & Internet City and a further seven minutes away from the Jebel Ali Free Zone; the tallest five star all-suites TAMANI Hotel Marina will soon be welcoming business professionals to its premises when the hotel's conference and meeting rooms are due to open soon.

Meeting rooms will be made available for business executives that can accommodate small and medium size meeting and functions. The stylishly designed individual meeting suites can accommodate from 5 to 120 people. Each meeting suite complements the modern Arabic art design theme of TAMANI Hotel Marina which is varied in color themes, and decorated in modern feel and business functionality.

TAMANI Arts and Design Team of KM Holding designed the meeting suites allowing flexibility in the set-up to include Classroom, Theatre, Boardroom and U-style settings. Equipped with drop down LCD projectors and screens, it also is equipped with high speed wi-fi internet and mood lighting system. The meeting suite also allows natural daylight in the room adding to the vibrant mood of daytime meetings and functions.

Travel-less meetings can be conducted anytime of the day with the TAMANI Hotel Marina meeting room fitted with videoconferencing facility allowing for remote meetings between two parties. The meeting venue has a mini-pre function area where meeting executives can easily conduct guest networking, small spontaneous gatherings while doubling as a registration area for any function.

The TAMANI Hotel Marina, *a member of TAMANI Hotels and Resorts*, is a participating exhibitor at the Arabian Travel Market Exhibition taking place at Dubai International Exhibition Centre with stand at HC750 at the Zabeel Hall. Visitors can visit them at the stand daily during the fair from 11am to 7pm daily and Friday from 4pm to 8pm from May 6 to 9th 2008. (Ends)
