

Progress for Tamani Hotel at Park Lane.

Dubai, 27 April 2010: Tamani Hotels and Resorts is delighted to announce the progress of the new 33 storey Tamani Hotel at Park Lane Tower. The project is now on the 20th floor of completion and on final completion will contribute to the destination success of the Business Bay Area.

The Hotel will provide a contemporary feel that will blend the rich fabric of the Arabic culture with a fresh modern design. The aim is to provide genuine Arabic hospitality, a sense of where you are in the region with a relaxed feeling of well being.

“The focus for this hotel is to capture and embrace the rich fabric of the Arabic culture, and this can be achieved by the careful use of colour, textured fabric and art work, commented Roddy Gordon Vice President of Tamani Hotels and Resorts,”

The design of the hotel is being carried out by leading interior design company LW Design group who have a history of designing landmark 5 star projects in the region.

The hotel is a 194 room hotel located in the Business Bay area running parallel to Sheik Zayed Road. It will attract a global market of business and leisure guests as it will be one of the most accessible locations in Dubai.

Tamani Park Lane, will feature a Grand reception and Lobby Lounge, floor to ceiling glass allowing natural day light. Delightful cuisine in the hotels restaurants. Outdoor swimming pools and a modern gym. The hotel will be fully equipped for high speed business with strong IT and fully equipped business services.
